Subject: RE: ExternalParking Issues Taw Hill

Dear Mr Muir

Thank you for your letter dated 31 October 2026 setting out your concerns about parking and waste collection arrangements at Stinsford Crescent and Melstock Road, together with your proposals for improvements.

The matters you have raised are for Swindon Borough Council to consider through its relevant highways, waste and planning teams.

However, your correspondence will be added to the agenda for the Parish Council's Planning and Highways meeting, where the issues and proposals you have outlined will be discussed. The discussion and any agreed actions will be recorded in the minutes.

Inclusion on the agenda does not imply approval of the proposals or a commitment to undertake works, but will provide an opportunity for councillors to consider the concerns you have raised.

Thank you for taking the time to bring these matters to the Parish Council's attention and for setting out your suggestions so clearly.

Regards
Georgina

Subject: ExternalParking Issues Taw Hill
Importance: High

Dear Councillors and Council Officers,

Please find attached my proposal for a coordinated review of parking and waste collection arrangements serving Stinsford Crescent, SN25 1AL.

I respectfully request a joint site visit to assess additional parking on the road-facing portion of the central green, with a target of at least nine independently accessible bays while retaining as much green space as practicable. The attached illustration is indicative and the layout and capacity require a measured feasibility assessment.

The proposal also asks for an agreed collection-day bin presentation point to help resolve the ongoing dispute over bin positioning on Melstock Road. Additional off-street parking could reduce verge parking and help keep the road clearer for emergency services, refuse vehicles and other essential access.

I would be grateful if you could nominate a lead officer, involve the relevant highways, waste and planning teams, and advise on the next steps and likely timetable. I would welcome acknowledgement within 10 working days.

The situation is getting very heated and uncomfortable and resulting in residents taking pictures of our cars, registration details which is becoming increasingly concerning given my government employmemnt.

We feel somewhat backed into a corner, and feel that our neighbours share the same concerns.

Thank you for considering this proposal.

Kind regards,

Leon Muir MBE
Resident of Stinsford Crescent
Swindon, SN25 1AL
