Prospect Hospice's Christmas Tree Collection is back for 8–10 January 2027, and this year we're expanding our collection to cover more communities across our area than ever before!

We're hoping to spread the word to as many residents as possible and would be grateful if you could help us promote the collection through your parish newsletter, website, social media pages or community noticeboards.

I've included a short blurb below that you're welcome to use and attached some promotional images to make sharing as easy as possible.

Newsletter Blurb:

🎄 **Prospect Hospice Christmas Tree Collection 2027** 🎄

Let Prospect Hospice take care of your Christmas tree this January while you support local hospice care!

Our Christmas Tree Collection is back from **8–10 January 2027**, making it easy to recycle your real Christmas tree after the festive season while supporting a great cause!

Simply register your real Christmas tree, make a donation and our wonderful volunteers will collect it from your doorstep, saving you the hassle of disposing of it yourself!

Register your tree by 5 January 2027 at:
https://www.prospect-hospice.net/events/christmas-tree-collections/

🚙 **Interested in volunteering to collect trees or have a van you could lend us?** We'd love to hear from you! Please email **treecycle@prospect-hospice.net**.
