FP 053 PUBLIC PARTICIPATION

One (1) member of the public was present who made representation. Has several questions within the financials and will email these to the Finance Officer. Item 13 – SBC/HWPC Transfers POS was happy to see the amount of detail and congratulated the Chief Officer. However, wondered why a 99 year lease which has no break clauses why not a shorter lease?. Members advised that this is a standard time and it could also have the reverse effect in that the Lessee would have the right to not renew. But this is obviously a relevant point and will be discussed further in the meeting. Also, would like confirmation that the reserve figure was correct. The Finance Officer advised that it is correct.

FP 063 SWINDON BOROUGH COUNCIL (SBC)/HWPC PUBLIC OPEN SPACE TRANSFERS (POS)

Members considered the report detailing the 17 POS stated in a revised SBC/HWPC lease and various deed of covenants. It was noted that Little Copse needs to be removed from the list and two POS (Doyle Close and Francomes) have not been included because there is an outstanding ownership query which needs to be addressed before they can be transferred. These two POS need to be discussed at Parks & Open Spaces Committee and their recommendations brought to Full Council before proceeding with Council potentially taking them on. This is in view of Francomes being outdated and needing substantial investment to bring it up to the standard of other play areas in the parish. The Council's lawyers

have been instructed to liaise with SBC to review the revised lease, giving proper consideration of the titles and Land Registry documentation. The deeds of covenant are in a conventional form, but they need to be investigated further with the titles as it is not clear what the deeds of covenants relate to. Other matters such as reviewing Ventnor and Goodearl leases will take place once the lease and deeds of covenants are settled. *Action: Add the future of Francomes & Doyle Close POS to Parks & Open Spaces Committee. Write to SBC Legal to request a copy of Ventnor Road lease and SBC Property with confirmation the Grounds Maintenance Facility planning permission has been granted.*

FP 066 ALLOTMENT/LEISURE GARDEN RATES – ANNUAL REVIEW

Members received the report. Given the current RPI levels are at 11.7% affecting the cost of living for all residents, it was recommended that Council take a view to minimise the increase this year and set the increase at 4% and round to the nearest pound, which is just under the increase for last year and makes receipting more efficient.
