Subject: ExternalParish Council Waste Audit

Dear Parish Council,

I am just writing to give you advance notice that we will shortly be carrying out an audit of the waste delivered directly to PPS at Waterside by Parish Councils. This will include carrying out a questionnaire with the driver and a visual inspection of the waste and I would be grateful if you could let your drivers/contractors know about this in advance.

We have noticed a substantial increase in the waste brought in by Parishes in 2020-21 compared to last year, I appreciate many of you have only just taken on direct delivery of services but if there have been any changes to your activities or particular trends that you have noticed it would be extremely useful to gain your insight or opinion on this.

Please let me if you have any questions regarding this.

Kind Regards

Business Development Manager – Waste & Recycling
