Dear Laura, Thank you for replying so promptly to my letter. At your suggestion, we set up a petition and the enclosed sheets/names, have been collected in just 2 weeks, without much effort. There are likely to be more people interested, but we want to show quickly that a safe dog play area would be appreciated by the parishioners of Haydon Wick. Nothing but fencing is needed:- there are even poobins near to the field we're suggesting. So please, keep it simple and get it done next year.

Kind regards.

Brown.

Dear Haydon Wick Councillors,

I would like to ask for a safe doggy play area in Haydon Wick.

I regularly drive to St. Mark's Recreation Ground, near Pinehurst, off Whitehouse Rd, where an area about the size of a football pitch, has simply been fenced in. It is well-used and a dog owners community has evolved.

It's wonderful that we have so many open spaces around us in Haydon Wick but I know that a fenced area for dogs would be appreciated. I've spoken to many people this past year, & the response is 'Great idea - get up a petition & we'll sign it'.

I spoke with Vinay some time ago and he agreed that the ^{area} beyond the allotments & the new council depot could be a useable space. It would need only 2 fences and 1 gate as there already are 2 thick hedges.

Please can this be considered for next year. If a petition is needed to convince you of its value to the community, I will undertake this, just let me know.

Kind regards.

 Brown (Mrs.).

WE, THE UNDERSIGNED, WISH TO PETITION OUR
COUNCIL TO CREATE A SAFE, ENCLOSED SPACE
FOR OUR DOGS. THE FIELD NEXT TO THE NEW
COUNCIL DEPOT WOULD BE IDEAL AS IT
ALREADY HAS THICK HEDGES ON 2 SIDES.
