

Meeting	Community Development Committee
Date	4 th April 2023
Report Title	Swindon & Cricklade Railway Society Report
Agenda Reference	12
Author	Caroline Hunt, Community Development Officer and Dave Hunt, Head of Parks and Open Spaces

Officer's Recommendations:

1. To note the report and give permission for the Officers to promote events for the Swindon and Cricklade Railway Society.

Background

The Head of Parks and Open Spaces has been approached by the Swindon and Cricklade Railway Society. It has requested permission to display information on events and activities in all the Haydon Wick notice boards.

The Swindon and Cricklade Railway station and Society is split between Haydon Wick Ward and North Wiltshire. It is a registered charity.

The Community Development Team would like to take this opportunity to develop partnership working with the Railway Society, with a view to asking its members to attend the Memory Café, the Summer Spectacular event and to offer their venue for community bus trips.

There may be an option to approach the Railway Society for sponsorship in the form of tickets to its seasonal activities for raffle prizes that could be used at parish council events.
