Officer's Recommendation

1) To proceed with ordering a notice board for Haydon View at a cost of £480.00 + VAT to be met from 4308/307. Inclusive of the materials to install this budget will be spent.

Background/ Purpose

The noticeboard at Haydon View was beyond repair and is due a replacement. The noticeboard is well visited by the residents of Haydon View who like to keep up to date with the local council.

Comparisons

The comparisons came out around the same price for an A1 noticeboard, with a branded panel and posts.

The company that the recommendation is to proceed with has been the supplier for the other new noticeboards purchased within the last few years and has the quickest lead times.
