Dear Georgina Morgan-Denn

Request for Support in Resurfacing the Residential Road of Holmleigh

I am writing to respectfully request your support in urging Swindon Borough Council to prioritize the resurfacing of Holmleigh, a residential road that has become increasingly unsafe due to its deteriorating condition. As a daily route for children, the elderly, and other residents, Holmleigh plays a significant role in our community. Its poor state now poses considerable risks, making immediate action necessary to ensure the safety and accessibility for all.

The condition of the road has worsened over time, with numerous uneven surfaces that challenge both pedestrians and vehicles. This poses a particular risk for elderly residents and families with young children, as navigating the road safely has become increasingly difficult. Additionally, these conditions negatively impact vehicles, leading to costly repairs for drivers in our area.

Given your commitment to improving the quality of life in Haydon Wick, I believe that with the Parish Council's backing, our concerns will be more effectively addressed. Your support in advocating for this essential improvement would be invaluable to our community and would help to expedite the resurfacing process through Swindon Borough Council.

Thank you for considering this request. I am hopeful that, with your support, we can secure the improvements necessary to make Holmleigh a safe and accessible road once more.

Kind regards,

Jayne Timmins
