Background

As the last meeting of the Parks & Open Spaces Committee was two weeks ago there is little to update on.

Recently the team has been considering options for replacement climbing nets at Voyager Drive, more information will be brought to the next meeting as the team may be able to save the Council a lot of money by repairing the existing climbing net rather than replacing.

The team will also shortly be arranging a Play Area Working Party to discuss the remaining budget for 22/23 and aspirations for 23/24.
