Members also acknowledged the positive comments from the Over 60s who recently attended the Afternoon Tea event. Members acknowledged the Coronation Suncatcher Youth event and mentioned that it has been traditional to gift primary school children within the parish with coronation souvenirs such as mugs or pens. It was acknowledged there is now several primary schools within the Parish and there is no budget assigned to the coronation. COUNCILLORS REPORTS

Councillor V Manro – another burst water main has now been fixed, Thames Water is laying a new pipeline and system under the bridge to Mouldon Hill. Permissions being sought as land behind Mouldon View which thought belong to Wiltshire Council belongs to residents under a housing management fee.

Councillor R Hailstone – at the last meeting mentioned Highgrove House. *The Deputy Clerk explained that Administrator investigated this and sent a persuasive email but sadly the free Warm Spaces sessions had all sold out and trips could only be accommodated at £75.00 per attendee for Afternoon Tea, bus travel and tour which seems a high amount compared to the trips that we currently run for the bus users.*

Councillor S McDermott – Volunteer Afternoon Tea on the 18th February was well attended and all enjoyed. Couple of tables with no connections and a host should be made available to sit with them and draw people into conversations.

Councillor R Venkatesh – Nothing to report.

Councillor B Patrick-Okoh – Nothing to report.

COMMUNITY DEVELOPMENT OFFICER'S REPORT

Members received an update from the Community Development Officer detailing recent events and projects utilising funds from the Loneliness and Isolation (Community Choices 2022) budget. The recent Yoga Sessions have been a success and Members were presented with a proposal of re-running another six week session for the current participants at a cost of £600.00 (£100.00 per session) which will include an additional 15 minutes to focus on breathing techniques and mindfulness. The Yoga Teacher has agreed that she would be willing to accommodate the Yoga in the Park sessions in the spring/summer months. Members agreed to rerun the sessions but advised against any preferential places for previous attendees.

Proposed: Councillor B Patrick-Okoh **Seconded: Councillor R Hailstone**

Vote: Agreed unanimously.

RESOLVED: To enroll in another 6 weeks of yoga at a cost of £600.00 (£100.00 per session) to run from 15th March 2023 to 19th April 2023. To be coded to Community Choices 402/4629.

CD 161

COMMUNITY CHOICES 2023

Members received a verbal update regarding the Community Choices consultation for 2023/24. Members noted that the consultation period ends on Friday 31st March 2023. The Community Choices consultation will be advertised at the Annual Parish Meeting on the 28th March 2023 to incorporate any last minute votes. The outcome of the consultation and suggested project ideas will be discussed at the next Community Development Committee meeting on 4th April 2023.

Members resolved to suspend Standing Order 3.9 to allow the Member of Public to speak. The Member of Public asked which publication the Community Development Officer was reading from? It was confirmed to be the new edition of Haydon Wick "Living" Magazine that will be delivered to residents within the next couple of weeks.

CD 162

WARM SPACES

Members received a report regarding the Warm Spaces project and the introduction of Haydon Wick Haven, a similar interactive café style environment. Two introductory trial sessions of Haydon Wick Haven are scheduled for Monday 13th and Monday 27th March 2023, and it is hoped that these sessions will be successful and continue to provide an information hub to the community. Swindon Borough Council's Health Improvement Centre has offered a Community Navigator to drop in once per month to the Haydon Wick Haven and facilitate any Swindon Borough Council issues. The Community Navigators are expanding the information service and are available in libraries and community centres. Members agreed that this was a good innovative and would assist the elderly members of the community who do not access the internet regularly. Over 60s and Young at Heart Clubs have been informed.

CD 163

MOBII TABLE

The mobii table was purchased a couple of years ago and it is not being used as much as hoped. The Council worked hard to achieve the funding for this piece of interactive kit and now the venue is larger, it is suggested that this should be a dedicated space and volunteer to assist. The current audience do not need to use it, but with fourteen spaces available in the Memory Café it is too soon to suggest that we do not need the piece of equipment. The Memory Café Co Ordinator gave an insight to the capabilities of the current participants and suggested that the mobii table would suit a care home type of environment rather than a café. A final strategic push is required. Memory Café may have developed in a different kind of way. The current mobii table doesn't seem suitable for the café environment. Feedback from participants builds future session activities. Mobii table is one of the unique selling points of the café. Youth & Community Worker could try to achieve a different type of audience.

Proposed: Councillor V Manro

Seconded: Councillor R Hailstone

Vote: Agreed unanimously.

RESOLVED:

- 1. To develop a strategy to increase usage.**
- 2. To increase the advertising for external hire to a wider audience.**
- 3. To review in 8 months time (October 2023) when budget setting.**

SOCIAL MEDIA AND COMMUNICATIONS

Members noted the report from the Youth & Community Co Ordinator regarding the social media and communications. Statistics show that Facebook is our most popular social media platform but is only seen by a small demographic and work needs to be done to improve this reach. The first copy of the February news bulletin has recently launched, and Members were asked to sign up to keep up to date with upcoming events and news stories. The Community Development Team has had training from Swindon 105.5 about radio interviews and would like to record feedback from participants at

live events. The Committee would like to do some videos uploads to make this more engaging.

20:59 the Memory Café Co Ordinator and the Youth & Community Co Ordinator left the meeting.
