Full Council 25th July 2023
Agenda 11

Subject: RE: ExternalMemorial bench / plaques

Ok sounds good. Kelly's Foundation has been liaising with us XXXX and we took to POS Committee a tree with a plaque at the skate park, they were in general agreement. We're looking species of tree and maintenance.

Dear

Firstly I am so sorry to read about your XX. I hope you and your family are receiving the help and support you need to navigate through what must be a very difficult time for you all.

I will take your request to a future Council meeting – ordinarily this would go to Parks & Open Spaces but this is happening tonight and (by law) I am not permitted to add it to the agenda so I will add it to the agenda to be discussed at Full Council in a couple of weeks.

My colleague, Laura (copied in) will update you after we've had our discussion.

With kind regards and heartfelt condolences.

Georgina

Hello

I was wondering if it would be possible to have a memorial bench for XX at the Haydonleigh Skatepark next to Morrisons?

XX loved the skate park and people have laid flowers there

He passed away this year XXXX

XXXX we would like to remember him and honor him and give him a place that he enjoyed with his friends.

If you can please let me know if this is possible. We would really appreciate it if this is possible.

Thank you
