Subject: ExternalChristmas and New Year patkrun arrangements

Hi guys,

Hope you are keeping well.

Just a note with regards to parkrun over the upcoming festive period.

We will be holding our usual Saturday events on December 24th and 31st, and after the tremendous success of last year, we are looking at putting on Xmas Day and New Year's Day specials.

They were both well supported and enjoyed by all who took part.

Obviously it depends on getting enough volunteers to go ahead safely, bit already we are starting to fill the roster, so I do not see any issues.

Just thought best to keep you informed of plans

Thanks again, and best wishes to you all.

Phil
