Background

A request was received from Haydonleigh School for the skate park not to open before 8.45 Monday to Friday during term time. The school find that pupils use the park before school, and it has led to pupils arriving late for the school day.

As per the planning conditions, the park officially opens at 9:00 however, the Tidy Up Operative opens the park on their first visit of the day so always before 9:00.

The Head of Parks & Open Spaces has made the provision that the Skate Park will not be opened before 8.45 Monday to Friday during term time.
