Report Title	Proposal to Regularly Review the Inclusion of Local North Swindon MP (1) and Swindon Borough Ward Councillors (6)
Agenda Reference	11
Author	Councillor Sarah McDermott, Editor of Haydon Wick Living magazine

Recommendation

The recommendation is that the inclusion of reports in the magazine from the local MP and the 6 local Swindon Borough Ward Councillors be reviewed on a regular basis i.e. 2 years.

The suggested first review date would be Full Council August 2023, with any change being implemented in the Autumn/Winter 2023 issue, then a 2-year circle with next in 2025.

Background

The magazine includes reports from the Swindon Borough Ward Councillors and local North Swindon MP and has done for a number of years. There has been an ad hoc process to review their inclusion, this proposal is to formalize and schedule the review.
