Position held in Organisation	Trustee

Amount requested	464.46
How much will the whole project cost?	464.46
Are you applying to other grant making bodies	Yes/No
If Yes who have you applied to	NA
Reason for application (please continue on another sheet if necessary)	We are Community First Responders (CFR) for the South Western Ambulance Service. We attend medical emergencies ie Cardiac Arrests, Breathing Difficulties Seizures, Sepsis, non-injury falls as well as other medical events. We are first on scene before any ambulance. Although the cost of maintaining our kit is met by the ambulance service, we need to fundraise to update our equipment. The funds raised is for a new oxygen meter that is able to measure oxygen and heart rates from the age of birth upwards. This equipment is used on almost every patient, the only exception is patients that do not give consent or cardiac arrests. This equipment will see hundreds of residents in the Haydon Wick area yearly and last for 10-15 years in service. This helps the CFR give life saving oxygen if needed and measure how much is needed and complete a NEWS2 score, which can help detect patients that are very unwell and need urgent treatment or early identify Sepsis, which increases the chance of successful outcome for patient.
