Our Ref: TD471 – Chatsworth
Footbridge Replacement

Date: 6th October 2025

Temporary closure of footpath between Elstree Way and Chatsworth Road to install replacement footbridge.

Chatsworth Footbridge, which is located along a footpath between Elstree Way and Chatsworth Road, will be closed to pedestrians from **Monday 20th October 2025** for a period of approximately **2 weeks**. The closure is required to enable a contractor to replace the degraded wooden footbridge with a more robust structure and to undertake some localised resurfacing of the footpath.

During the closure period temporary signage will be erected to divert pedestrians around Chatsworth Road and along Elstree Way (please refer to the diversion route plan overleaf).

Apologies in advance for any inconvenience caused by these maintenance works, but they are an important requirement for the continued and safe operation of the footpath. Thank you for your co-operation and patience during this period, and if you have any queries regarding the above, please email: hppd@swindon.gov.uk
