

Our Ref: TD471 – Lyme Way
Footbridges: Decking
Replacement

Date: 17th November 2025

Temporary closure of footbridges between Lyme Way and Brookfield Play Park to install replacement decking.

There will be consecutive closures of the two footbridges between Lyme Way and Brookfield Play Park from **Monday 24th November 2025** for a period of approximately **2 weeks** (please refer to the plan below). The closures are required to enable a contractor to replace the decking of the footbridges and to undertake some localised resurfacing of the footpaths.

During the closure period pedestrians and cyclists are kindly requested to use whichever footbridge is not being worked on by the contractor as an alternative route.

Apologies in advance for any inconvenience caused by these maintenance works, but they are an important requirement for the continued and safe operation of the footpath. Thank you for your co-operation and patience during this period, and if you have any queries regarding the above, please email: hppd@swindon.gov.uk
