About Us

We are the Parish Council that wants to lead and develop our local community. We are self-aware and are committed to focussing on the urban issues that are important to the entire community.

Serving the heart of North Swindon, Haydon Wick Parish Council represents approximately 22,000 residents across nine vibrant neighbourhoods: Haydon Wick, Greenmeadow, Haydon View, Woodhall Park, Western Moredon, Abbey Meads, Haydon End, Taw Hill, and Oakhurst.

Our 18 elected councillors, a diverse mix of professionals, experienced seniors, and young families, share one common goal: enriching the lives of everyone in our parish through exceptional services, community events, and vital support programmes. Our team of 28 Officers and staff manage, implement and facilitate these services.
