Dear colleague,

Has your town or parish council made a positive difference in your community?

Has your clerk or a councillor gone the extra mile?

Are you leading the way in climate action, service delivery, or local leadership?

The NALC Star Council Awards 2025/26 are open for entries —and we're inviting parish and town councils, councillors, clerks, and county associations to submit nominations.

These awards are the pinnacle of nationwide recognition for parish and town councils. The six categories are:

- Council of the Year – For councils delivering outstanding leadership, service and impact
- Councillor of the Year – For elected members who've made a real difference
- Young Councillor of the Year – For councillors aged 30 and under when first elected who bring fresh thinking and energy
- Clerk of the Year – For exceptional professionalism and dedication behind the scenes
- County Association of the Year – For strong support, advice, and guidance
- Climate Response of the Year – For bold, local responses to the climate emergency

Why submit a nomination

- Celebrate the work you're proud of
- Share your story and inspire others
- Gain national recognition
- Finalists will be invited to attend a prestigious reception in the House of Lords on 24 February 2025

Whether you've launched a new project, supported residents through challenging times, or created lasting local change, this is your moment to be recognised.

Head to [NALC's Star Council Awards page](#) for more information and to submit your nomination.

The deadline for submitting nominations is Friday 5 September.

Kind Regards,
