| <b>PAVEMENT WATCH</b> - Strengthen reporting and escalation of damaged pavements, with clearer feedback to residents.                                  | Officers / Councillors | 2026-2029 | Tracking response times                                   | Enhanced                    | Nathan Bradley<br>Rob Heath      |
| <b>PLAY AREA INSPECT &amp; REPAIR</b> - Maintain regular inspections and faster repairs of playground equipment and surfaces.                          | Officers / ROSPA       | 2026-2029 | Inspection & repair logs                                  | Continued                   | Vinay Manro<br>Leanne Stephenson |
| <b>PARK PATROL</b> - Deter littering, vandalism and dog fouling.                                                                                       | Officers / PCSOs       | 2026-2029 | Incident reports & feedback                               | Continued                   | John Jackson<br>Steve Heyes      |

### Haydon Wick: A Green and Sustainable Environment

**Our aim:** Protect wildlife, support climate action, and promote sustainable living.

| Action                                                                                                                                                                                     | Who                                | When                   | Monitoring                                   | Status vs 22-25 action plan | Cllr Responsible                            |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------|------------------------|----------------------------------------------|-----------------------------|---------------------------------------------|
| <b>WILDWICK &amp; NATURE PROJECTS</b> - Maintain and expand wildlife habitats, volunteering and nature-based activities.                                                                   | Officers / Volunteers              | 2026-2029              | Habitat & participation data                 | Continued                   | Chichi Chikezie-Morris<br>Bose Patrick-Okoh |
| <b>TREES &amp; BIODIVERSE GREEN SPACES</b> - Continue tree planting and community forest planting, wildflower meadows, new habitats encouraged with mindful maintenance across the parish. | Officers / SBC                     | 2026-2029              | Trees planted and planting schemes monitored | Continued                   | Ian Edwards<br>Rob Heath                    |
| <b>CLIMATE ACTION</b> - Maintain actions to reduce carbon impact and promote sustainable living.                                                                                           | Officers / Partners                | 2026-2029              | Milestones achieved                          | Continued                   | Jacqueline Ireland<br>Ayo Jimmy             |
| <b>GREEN GYM &amp; FITNESS</b> - Promote outdoor gyms, walking/cycling routes and nature-based exercise to link health and sustainability.                                                 | Officers / Partners                | 2026-2029              | Usage & feedback                             | Continued                   | Leigh Jackson<br>Alex Roupelis              |
| <b>VISIBLE ENVIRONMENTAL ACTION</b> - Improve signage (e.g. Mouldon Hill), communication and volunteering opportunities around environmental projects.                                     | Officers / Partners                | 2026-2027 then ongoing | Awareness results                            | New                         | Leanne Stephenson<br>Vinay Manro            |
| <b>RECYCLING &amp; WASTE AWARENESS</b> - Work with partners to improve understanding and participation in recycling and waste reduction.                                                   | Officers / Swindon Borough Council | 2026-2029              | Participation indicators                     | Enhanced                    | Steve Heyes<br>John Jackson                 |
| <b>NATURE BENCHES</b> - Provide benches at sites where people can sit and enjoy nature.                                                                                                    | Officers / Partners                | 2026-2029              | Installations completed                      | Continued                   | Nathan Bradley<br>Richard Hailstone         |

### Haydon Wick: A Safe and Friendly Place to Live

**Our aim:** Residents feel safe, especially in shared spaces, parks and walking routes.

| Action                                                                                                                                                      | Who                                              | When      | Monitoring                  | Status vs 22-25 action plan | Cllr Responsible                    |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------|-----------|-----------------------------|-----------------------------|-------------------------------------|
| <b>CCTV</b> - Maintain and review CCTV coverage in key locations.                                                                                           | Officers                                         | 2026-2029 | Incident data review        | Continued                   | Alex Roupelis<br>Rob Heath          |
| <b>PARK &amp; COMMUNITY PATROLS</b> - Continue partnership working with police and PCSOs to encourage visible patrols.                                      | Officers / Police                                | 2026-2029 | Patrol frequency & feedback | Continued                   | Leigh Jackson<br>John Jackson       |
| <b>STREET LIGHTING ADVOCACY</b> - Work with Swindon Borough Council to address lighting gaps identified by residents.                                       | Councillors / Officers                           | 2026-2029 | Improvements achieved       | Enhanced                    | Vinay Manro<br>Claran Skinner       |
| <b>COMMUNITY EMERGENCY PLAN</b> - Continue to work with Wiltshire & Swindon Prepared to embed a responsive community process in readiness for an emergency. | Councillors / Officers / Volunteers              | 2026-2029 | Participation levels        | Enhanced                    | Alex Hughes<br>Claran Skinner       |
| <b>ROAD SAFETY MEASURES</b> - Work with Swindon Borough Council, advocate for crossings, speed management and safer roads.                                  | Councillors / Officers / Swindon Borough Council | 2026-2029 | Speed data & perception     | Continued                   | Adam John<br>Chichi Chikezie-Morris |
| <b>YOUTH SAFETY &amp; BEHAVIOUR</b> - Continue diversionary youth work addressing antisocial behaviour, e-bikes and safety concerns.                        | Officers / PCSOs / Youth Services                | 2026-2029 | Incident trends             | Continued                   | Alex Hughes<br>Sudha Nukana         |
| <b>PERCEPTION OF SAFETY</b> - Focus on improving how safe residents feel through environmental improvements and communication.                              | Officers                                         | 2026-2029 | Resident survey results     | Enhanced                    | Ian Edwards<br>Bose Patrick-Okoh    |
