Dear Mr Kevin Fitzgerald MBE

Thank you for your correspondence regarding the issues you have identified in relation to Thursday Street, and the routing of bus services through the area. I appreciate the time and effort you have taken to compile and present such detailed information and supporting evidence for consideration. I also note your Version 2 which was sent moments ago and for recognising the frustration you are experiencing may have affected my member of staff.

I would like to clarify that responsibility for highways, traffic management, road safety assessments, parking controls, bus route approvals and related highway infrastructure matters rests with Swindon Borough Council through its Highways Department. These functions fall outside the statutory powers and responsibilities of Haydon Wick Parish Council.

Whilst the Parish Council is unable to investigate, enforce or determine highway matters directly, we do recognise the concerns you have raised regarding road safety, pedestrian access, traffic movements, and the potential impact upon local residents. We are always keen to support residents by ensuring their views are heard by the appropriate authorities.

To that end, your correspondence and the concerns contained within it will be included on the agenda for discussion at the next meeting of the Parish Council's Planning & Highways Committee, to be held on Tuesday 24th November 2026 at 7:00pm.

I would also like to extend an invitation for you to attend the meeting and address the Committee during the Public Participation section. This will provide an opportunity for you to outline your concerns directly to councillors and for members of the Committee to consider how best they may support residents by raising these matters with the relevant officers and decision-makers at Swindon Borough Council.

Thank you once again for bringing these issues to our attention. We value resident engagement and welcome the opportunity to consider concerns affecting the local community. We look forward to welcoming you to the meeting should you wish to attend.

Yours sincerely,
Georgina Morgan-Denn

For the attention of Georgina Morgan-Denn BA (Hons), FSLCC.

Apologies for the rushed email on Friday and the date confusion at reception, also if my frustration was apparent and the young lady who dealt with me felt concerned.

In my haste to get the emails to you before 4pm, I have sent you earlier draft copies of my complaint and safety concerns regarding SBC and Swindon's Bus Company.

Please replace Friday's drafts with the attached amended copies ahead of the agenda.

Thank you

Kevin Fitzgerald MBE
